

CGMTA GOALS

- Create a unified voice for the recreational marine industry in the central region of the Gulf of Mexico.
- Collaborate with county tourism agencies by providing data regarding the economic impact of the recreational boating industry to promote the industry as a key element of the tourism mission for the region.
- Through current business resources, promote the health of our fishery and the capacity of services available to customers in our region.
- Create opportunities for active business networking between companies.
- Utilize the Wharf Boat & Yacht Show (or other boat show as deemed appropriate) as a mechanism to build the customer base and promote the marine industry in our region.

MEMBERSHIP BENEFITS

- Contribute to the positive impact on marine recreational business through joint promotion of the Gulf region as a fishing and boating destination.
- Access to data on the regional economic impact of recreational marine trades for employment and revenue generation.
- Regional industry representation in the political forum, and elsewhere, on issues impacting the recreational use of the Gulf of Mexico.
- Discounts and other membership benefits at regional in-water boat show.
- Access to association socials, educational programs, and new product demonstrations.
- Networking opportunities with industry partners and competitors to exchange ideas and learn from each others' experiences.
- Use unified strength to influence decisions that impact marine recreational opportunities and businesses.
